Slide Show and Artist Talk with Raoul De la Sota

Join established artist and art instructor Raoul De la Sota as he shares music and images from and stories about his trek through the Camino de Santiago de Compostela, in Northern Spain. Established in the 11th century, the Camino remains a popular route for pilgrims in search of the intangible even today. De la Sota's own journey with family and friends served as the inspiration for his current solo show "El Camino: The Journey" (currently on display), where Mr. De la Sota visualizes the sensory experiences evoked by his walk. Come and meet the artist and learn more about his process!

Light refreshments will be served.

Does anyone know the official opening date for the new Fig/Riverside bridge? And will there be access to it from San Fernando road? I drove over something that disturbs me today.

Thanks.

Ginger

Hopefully with new boards on the local Northeast neighborhood councils committees will be set up to help get animal shelters "no kill". And, to help Lacy Street Animal Shelter in other ways too.

## 6 [Wandering Dog on Sea View Lane - since this weekend](#)

A smallish tan dog with pointy ears is wandering our corner of Sea View Lane since this weekend. Seems healthy and apparently had a tag during the weekend which is now off. We can't seem to catch him as of yet. If you know of anyone missing a dog by this description please call 818 404 9131.

Last Seen at the end of Sea View Lane - 5 minutes ago.
